

Healthy MINDS Healthy NEIGHBORHOODS

March 15 and 20, 2018

Family support to help children make healthy and safe choices at home, school, and in the community.

- **March 15: (Part 1)** Help children learn how to identify beliefs and values for decision-making and how to make healthy decisions.
- **March 20: (Part 2)** Help children learn how decisions impact self and others; how to be a good role model; and how to find alternatives to unhealthy behaviors.
