

Washington Township Special Education

Washington Township Student Services (WTSS) functions as the central office that oversees special education services for Washington Community High School District 308, Washington Grade School District 52, Central Grade School District 51, and District 50 Schools. Housed at Beverly Manor School, WTSS staff provides the evaluation, counseling, behavior intervention and support services for students with identified special needs as well as those students who need additional services to remain successful in the regular education program. The staff, title and contact email are listed below.
